A WORD TO TEACHER AND PARENT...

The **PRINCE CHAMELEON STORY AND WORKBOOK** and Answer Key, with its companion CD, is designed for children aged 9 and older. It may be used as a self-contained language arts project in the classroom, as well as for independent study at home.

Its **WORD WIZARD** section offers a systematic approach to vocabulary enrichment, while being centred around the literature of Fable and Fairy tale.

The **DISCUSSION QUESTIONS** encourage young readers to draw inferences beyond the text of the story, as well as to express their personal opinion.

The **PRINCE CHAMELEON WORD TREASURY** and **WHICH WORD DOESN'T BELONG?** provide practice in associating and classifying ideas.

BUILDING WORDS and **FAULTS AND VIRTUES** explore the formation of compound nouns, adjectives and adverbs.

WHAT HAPPENED FIRST? provides practice in determining the correct time sequence of events.

Last but not least, the children's capacity for creativity and attention to detail is stimulated and challenged by the opportunity to illustrate the story of Prince Chameleon, exactly as they visualize it.

HOW TO USE YOUR PRINCE CHAMELEON

CD, WORKBOOK and ANSWER KEY

1 

- ❖ Listen to the CD and read the story of Prince Chameleon.
- ❖ Each part of the story begins on a new page, with a big letter.
- ❖ You may want to look up some new words in the dictionary.

2 

When you have finished reading Prince Chameleon:

- ❖ Go back to the beginning.
- ❖ Read the discussion questions and think about your answers.
- ❖ You may want to read parts of the story again.

3 

Now try to do the exercises for WORD WIZARDS.

- ❖ Find the first highlighted word **christening** on the first page of the story.
- ❖ Now look below at the first WORD WIZARD exercise. Which word/group of words means the same as christening? Did you find it? **Christening MEANS the naming of a newborn baby.**
- ❖ Copy the word 'christening' on line Number 3.
- ❖ See if you can do all the numbers from 2 to 8. The first one is done for you.

4 

Now you are ready to draw and colour your first picture. You will need some drawing paper and crayons, colouring pencils or paints.

5 

- ❖ Try to draw some of the things you have read about on the first page of the story. **For example:** Can you draw a picture of Prince Destiny's christening?
- ❖ Lots of people are invited to Prince Destiny's christening.
- ❖ Baby Prince Destiny has a red face, and he is screaming in his cradle.
- ❖ The Rainbow Fairy is tall and beautiful and covered in rainbows.
- ❖ What else should be in your drawing? You decide. You can colour all the other illustrations in your workbook too.

6 

- ❖ When you have finished all the **WORD WIZARD** exercises and your drawings, there are *even more* activities to do at the back of your workbook. Read the instructions carefully, then do your best.
- ❖ When you want to check your answers, you will find them in the **PRINCE CHAMELEON ANSWER KEY** on **PAGE ONE** at the end of this book.

Now you are ready to write and illustrate your own story. Have fun!
