The FUNLIT SERIES of Millennium Tales

Introducing four Story-Workbooks

From Prince Chameleon Press

www.princechameleon.com

What is the FUNLIT SERIES of Millennium Tales?

The four illustrated FUNLIT Story-Workbooks offer a blend of literature and literacy for readers aged 9 years and older.

This literature/literacy program can be used freely without licensing restrictions in your language-arts classroom and school.

It can also be useful for home-school programs, summer school programs, drama/theatre projects, or in hospitals for children requiring long term care.

The FUNLIT SERIES is accessible and easy to use. All four story-workbooks include:

- ✘ Factual and open-ended discussion questions
- ✘ Grammar and vocabulary exercises
- ✘ Answer key
- ✘ Teacher/Student score sheets
- ✘ Classroom play script based on the story
- ✘ Companion Audio CD

How can the FUNLIT SERIES fit into my regular classroom curriculum?

Each individual story page is followed by a Word Wizard section and Discussion Questions. Additional literacy exercises are included at the end of each story, along with an Answer Key.

The stories feature a beautifully narrated companion Audio CD, with music and sound effects, to enhance and enrich the children's reading experience.
